

WE'RE LOOKING FOR

ELECTROMECHANICAL TECHNICIAN

ABOUT OUR COMPANY

SHOWSDT is the leader in the manufacture, distribution, and installation of scenic equipment, rigging and automation for the live shows, entertainment, and broadcast industries. Whether for equipment rental or sales, a permanent custom installation, or a turnkey design, we work nationally and internationally delivering large-scale projects to our clients.

THE CHALLENGE

Reporting to the VP Hoists and Automation, the candidate will have the responsibility for the preparation, certification and maintenance of fixed and variable speed hoists serving the entertainment industry.

We deliver solutions that don't exist ... yet! It's our expertise!

TASKS AND RESPONSIBILITIES

- Participate in the manufacture and assembly of fixed and variable speed hoists;
- Shall use the certification procedures in accordance with the company's standards;
- May provide customer service at our workshop or at the customer's venue.

PROFESSIONAL EXPERIENCE

- DEP (Diploma of Vocational Studies) or DEC (Diploma of College Studies) in electromechanics OR equivalent experience;
- Must be open to and can learn to develop their automation system knowledge and skills.
- Must have excellent business French

PERSONAL ATTRIBUTES

- Meticulous, rigorous in their work and certification thereof;
- Autonomous and punctual;
- Adaptability and interest in being part of a growing and developing organization;
- Curiosity to learn and develop new skills.
