

WE'RE LOOKING FOR

INTEGRATION INSTALLATION TECHNICIAN - CONSTRUCTION THEATER STAGE EQUIPMENT

ABOUT OUR COMPANY

SHOWSDT is the leader in the manufacture, distribution, and installation of scenic equipment, rigging and automation for the live shows, entertainment, and broadcast industries. Whether for equipment rental or sales, a permanent custom installation, or a turnkey design, we work nationally and internationally delivering large-scale projects to our clients.

THE CHALLENGE

Reporting to the Lead Integration Installer – Theater, you will have the opportunity to participate in the installation of equipment designed and custom-made within the Integration Projects – Theater Construction department.

Delivering solutions that don't exist...yet! It's our expertise! That's the strength of our team!

TASKS AND RESPONSIBILITIES

You will work as part of an installation team, where you will have the opportunity to acquire specialized training and experience

- Install stage equipment
- Handle and install rigging equipment
- Use tools and equipment related to the construction industry

PROFESSIONAL EXPERIENCE

- Experience in a construction site environment (a strong asset)
- Certification held or in progress: (each certification is an additional asset)
- ASP – Working at height – Confined spaces – Introduction to asbestos – Aerial work platform and forklift truck
- Good physical condition essential
- Proficiency in basic construction tools

PERSONAL ATTRIBUTES

- Autonomous, motivated, and eager to learn
- Ability to process a large amount of data with precision
- Able to work at heights and in confined spaces
- Good teamwork skills
