

WE'RE LOOKING FOR

WORKSHOP CARPENTER

ABOUT OUR COMPANY

SHOWSDT is the leader in the manufacture, distribution, and installation of scenic equipment, rigging and automation for the live shows, entertainment, and broadcast industries. Whether for equipment rental or sales, a permanent custom installation, or a turnkey design, we work nationally and internationally delivering large-scale projects to our clients.

THE CHALLENGE

Reports to the Shop Supervisor - manufacturing and carpentry. The candidate will be responsible for the fabrication of the scenic elements made mainly of wood and aluminum.

We deliver solutions that don't exist ... yet! It's our expertise so you must be open, imaginative, and autonomous!

TASKS AND RESPONSIBILITIES

- Participate in all stages of the production process of scenic elements. Work will be carried out mainly in the workshop;
- Will use carpentry (wood) tools professionally;
- Learn to use the necessary tools for the proper assembly of aluminum extrusions;
- Will have to read manufacturing and assembly plans.

PROFESSIONAL EXPERIENCE

- DEP (Diploma of Vocational Studies) in carpentry OR equivalent experience;
- Ability to use basic tools (wood and aluminum) and the ability to use them safely;
- Ability to read a manufacturing plan;
- Ability to respect timelines;
- Workshop experience of the production of scenic elements an asset;
- Welding experience is a significant asset.
- Must have excellent business French

PERSONAL ATTRIBUTES

- Thorough;
- Complies with all safety standards;
- Sense of teamwork;
- Mature, efficient, punctual; and responsible;
