## RAIN COVER FOR CM HOIST

### LARGE

#### SHOWSDT RAIN COVER FOR CM - RMCLK010

**SHOWSDT** Rain Covers to use with Columbus McKinnon Classic and New Gen Lodestar large frame chain hoists placed in motor up (lifting) mode.

The chain hoist is shielded from the weather by the covers, which are constructed of 840 denier woven polyester with two layers of resin.

To keep the cover wrapped around the chain hoist, the side opening features a flap with a 4 cm Velcro closure, and the lower portion of the skirt is attached with an elastic band.

Basic black colour. More colours are offered on request.

COVER OPENING
