

CHAIN FALL HOIST

JET ONE TON

CHAIN FALL HOIST

JET ONE TON

CHAIN HOIST - Model # L90X-1002 - 10' LIFT - 1 TON.

The Standard configuration comes with:

FEATURES

- The strongest chain hoist available!
- Exclusive Class V+ load chain is the world's strongest grade
- Provides unparalleled safety for the most demanding applications
- Chrome Molybdenum load gears for maximum strength and resistance to shock
- Load sheave is designed for long wear with uniform pockets for correct chain contact
- Drop forged hooks are designed to bend slowly to warn of overload
- Rolled edge on hand wheel cover acts as a chain guide and allows smooth operation even when pulling the hand chain at an angle
- Positive ratchet, screw and discs are completely enclosed to protect the brake mechanism
- Non-asbestos wet friction brake discs will not slip even when oil is present
- Electrostatic powder coated before assembly to protect against rust and corrosion
- Capacity unaffected by temperatures up to -40°C with suitable winter lubrication
- Tested to 150% of rated capacity

NOTE:

Custom Hoists are available in any length desired. Ask us for details!
