

SECURITY HARNESSSES

PRO & CONTRACTOR SERIES

HARNESSES

PRO SERIES

SHOWSDT offers safety equipment for working at height. The standard harness model is the Pro Series Harness (V8006110), providing unrivaled comfort all day long.

The Standard configuration comes with:

FEATURES

- Hi-Viz green top and black bottom are easily distinguishable
- Five points of adjustment provide an ideal fit (two - legs, two - torso, and one - chest)
- Padded shoulder, back, and leg straps provide all-day comfort
- Included trauma straps help reduce the effects of suspension trauma
- Fall indicator for easier inspection before use
- Available as a harness and belt or just the harness
- Meets or exceeds all applicable OSHA standards
- Certified to both ANSI Z359.11 and CSA Z259.10 standards
