

WE'RE LOOKING FOR

WELDER ASSEMBLER - WORKED METALS

ABOUT OUR COMPANY

SHOWSDT is the leader in the manufacture, distribution, and installation of scenic equipment, rigging and automation for the live shows, entertainment, and broadcast industries. Whether for equipment rental or sales, a permanent custom installation, or a turnkey design, we work nationally and internationally delivering large-scale projects to our clients.

THE CHALLENGE

Reporting to the Director of Sales Operations, the candidate will be responsible for the fabrication of scenic elements and the assembly of miscellaneous metals.

We deliver solutions that don't exist ... yet!
It's our expertise! You must therefore be open, imaginative and autonomous.

TASKS AND RESPONSIBILITIES

- Read and understand production plans (drawings);
- Accurately mark metal parts with cut marks and reference points;
- Make patterns and templates needed to carry out the work;
- Fabricate miscellaneous metal parts and steel structures;
- Assemble miscellaneous metal parts (stairs, railings, handrails, etc.) and structural parts (beam, columns) by welding or by mechanical assembly;

PROFESSIONAL EXPERIENCE

DEP in fabrication of metal structures and miscellaneous metals or DEP in welding-assembly or DEP in welding;

Be able to read and interpret plans;

Very good knowledge of units of measurement;

Be able to weld with MIG (GMAW);

TIG welding (an asset);

Plasma cutting (an asset);

CWB cards (an asset);

More than 5 years of experience

Any relevant experience will be considered

PERSONAL ATTRIBUTES

Ability to work in a team;

Open to learn

Able to work with deadlines.
